Rental Policy

- A. Rental charges start on the day equipment is picked up prior to 2:00pm. After 2:00pm rental will start the following day.
- B. All rentals terminate at 10:00am. We reserve the right to charge rental for any equipment not returned by 10:00am, unless previous arrangements have been made with our rental department.
- C. To better serve our clients, out of town rentals will not be charged on the basis of a minimum number of days. This will allow us to custom tailor our rental packages to our clients needs on an individual basis.
- D. Our Terms are COD unless other arrangements are made. All first time rentals are COD. Open accounts are available with Net 30 Terms. Please allow 2-3 Days to clear an application for open account, and insurance certificate approval. Visa, MasterCard, American Express and Discover cards accepted.
- E. In lieu of establishing an open account we will require a security deposit, in the form of major credit card (Visa, MasterCard, Amex, Discover), cash, certified check or certificate of insurance, naming Technisphere Corp as loss payee/additionally insured, equal to the full value of the equipment, prior to the rental. All rentals secured by an insurance certificate must cover the deductible by a major credit card or cash.
- F. All rentals cancelled without 24-hour notice are subject to cancellation charge.
- G. Renter assumes responsibility for any and all loss, theft and or damage to the equipment. In the event of any loss or damage, customer will be responsible for rental charges on said equipment until it is returned or repaired. In the event of any theft the renter is required to file a Police report and will be charged rental days until said report is presented to Technisphere Corp.
- H. All prices, terms, and conditions listed herein are subject to change without notice.
- I. See additional terms and conditions on the reverse side of our rental contract.
